MEMORANDUM FOR: Assistant for Plans and Development

ATTENTION: [REDACTED]

SUBJECT: Prototype Model of [REDACTED]
Briefing Board Enlarger

1. Attached is a copy of a memorandum from [REDACTED] in which he has set down his reactions to the bread-board model of the Briefing Print Enlarger.

2. It is my impression that the recommendations and criticisms he sets down are concurred in by [REDACTED] and the P&DS people and that these recommendations plus any you people might have will be incorporated in the follow-on Prototype model.

3. This being the case, I am in complete agreement that we should proceed to negotiate for the Prototype.
